

Voyage of Discovery

Your task is to research an aspect of our world and those who discovered it!

You can choose to research Christopher Columbus (shown above), research your favourite country or choose a number of aspects of the world such as the continents or the oceans.

From your research you are to share your findings in whichever way you choose, for example:

- A PowerPoint presentation;
- A model or a piece of art;
- A non-fiction handwritten or typed text

The choice is yours!

Projects are to be in school **by Friday 10th November** to share with the class and on the blog.

Have fun researching and creating!
