

Spring Term

Home School Project – Year 5

Our topic this term is The Victorians. We have looked at the life of Victorian children, the jobs that were available and the reign of Queen Victoria.

Over half term we would like you to research some Victorian inventors and their inventions. We would like you to pick **one** of these inventors and gather some information about them which you can present in any way you like e.g., a poster, a model of one of their inventions, a fact file, an eBook etc.

The inventors we would like you to look at are:

- Alexander Graham Bell
- Charles Babbage
- Charles Dickens
- Emile Berliner
- Isambard Kingdom Brunel

We hope you enjoy researching these inventors, we will be looking at some of them after February Half term.

You have **2 weeks** to complete your project. It is to be handed in on **Monday 4th March 2024** where you can present it to the class.

We look forward to seeing your creations.

Mr Lane and Mrs Simmons
