

Year 3 Home - school Project

In Year 3 we are focussing on pirates in our Literacy lessons! We are reading various Pirate stories and Poems.

Your challenge is to complete a project all about Pirates!

This might be:

- *A hand-written project with illustrations / photographs*
 - *A Powerpoint presentation*
- *A model of a pirate ship / Pirate / treasure island*
 - *Leaflet / booklet*

You will need to do some research on Pirates – from the internet or from information texts.

You can be as creative as you like!

All projects to be completed and brought into school on Friday 8th March. Good luck!
