HOMEWORK PICK 'N' MIX

Below are lots of different activities you can complete at home all linked to our learning. Some might need an adult to help and others can be done alone. You can be as creative as you want but make sure you enjoy the tasks you choose. Colour in the box when you have completed that task.

As you complete the tasks, you can bring them in to school to show what you have been up to but please hand this sheet in with all the tasks you have completed by **Friday 29th March 2024**.

Certificates will be presented for super homework!

Become a scientist and experiment with materials to find out which are waterproof.	Learn the days of the week and months of the year.	Go to your local park with your family.	Make a rocket like Apollo 11 using recycled materials.
Can you interview your Grandma or Grandad and ask them what toys they used to play with?	Can you make a fruit salad? How many different fruits can you name?	Can you become an explorer and go on a nature hunt? What can you find?	Write the days of the week.
Can you learn a poem off by heart?	Can you tell someone about one of Jesus' miracles?	Can you write 10 words which contain a split digraph.	Can you complete a PE with Joe Wicks on YouTube?
Write a fact file of Neil Armstrong or Christopher Columbus.	Play Hit the Button to practice your number bonds.	Enjoy a movie night with your family. Can you write a review of the film?	Practice your handwriting! You could write the alphabet in lots of different colours.

Have fun!
