

Summer 2

Half Term Project

We just wanted to send a reminder home about Year 1's Arts Award homework tasks that have been sent home over the last 3 weeks. The three tasks are due in for **Tuesday 4th June (2nd day back after half term)**. If you have misplaced the sheets, the tasks can be completed on any paper and handed in. A reminder of each of the 3 tasks are below:

Task 1

Complete an art activity of your choice.

This could be any of the art forms you have researched such as drawing or sculpture. You can stick in your artwork or a photograph or draw and write about what you did.

Task 2

Research Andy Goldsworthy.

Find out about who he is and what type of art he creates. You could write about what you have found out, draw pictures or stick in pictures from the internet.

Task 3

Create a piece of art inspired by Andy Goldsworthy.

Collect objects such as leaves, twigs and stones and arrange them to create a natural sculpture. Draw a picture or stick in a photo.

Andy Goldsworthy
