

Year 3 Home - school Project

*In Year 3 we are learning about the
Ancient Egyptians in our Topic lessons!*

*Your challenge is to complete a project all about the
Ancient Egyptians*

This might be:

- *A hand-written project with illustrations /
photographs*
- *A Powerpoint presentation*
- *A model of a mummy / pyramid / sarcophagus*
 - *Leaflet / booklet*

*You may want to do some more research on
the Ancient Egyptians - from the internet or
from information texts.*

You can be as creative as you like!

*All projects to be completed and brought into
school on Monday 1st July. Good luck!*
