

During Summer Term Year 4 are going to be learning all about the Maya tribes. For your Home-School Project over the May Half Term we would like you to research about Mayan architecture. Architecture means the design of buildings – which was quite impressive in Mayan times! You can present your information however you would like; a written report, a poster, a model, a PowerPoint presentation...be as creative as you like.

This should be handed in by the first Friday back after half term (7th June). We cannot wait to hear about all the fantastic information you have gathered!
