

Curriculum Improvement Plan 2025/26

Subject: Music

Key priority	Ensure effective implementation of both the new curriculum for KS1 and KS2 in Autumn Term. Alongside ensuring use of planning, evidence and assessment is effective.	Proposed outcome (Specific, measurable impact on pupil's learning)		Children in KS2 to be exposed to a wider range of musical composition and improvisation experiences. Children in KS1 to have wider access to a range of musical instruments and have opportunities to experiment with these.
		Time Scale	Lead person	Impact
All teachers in KS2 to complete Finish This! Training during staff meeting on the first Wednesday back. F Porteous to also complete additional face to face training the week after so support can be provided when implementing the lessons.		Autumn Term	FP	Teachers to have a good understanding of the expectations of the scheme of work so that this can be effectively implemented in the classroom.
Teachers to be introduced to the new planning/assessment document alongside the new long term plan. Teachers to be informed of the expectations linked to evidencing of music lessons.		Autumn Term	FP	More accurate planning and assessment plus evidence collection. More opportunity for analysing of evidence to ensure progression across the school.
FP to observe KS1 music lessons with Minshall Music.		Autumn Term	FP	Ensure lessons are taught with good opportunities for the children in KS1 including a range of instruments used and musical vocabulary included.
