

Statement of intent

What is our vision?

As teachers we are often charged with the task of preparing our children for their future. At St. Peter's we think a little differently, and rather than prepare our children for a future that is imposed upon them, we aim to give them the skills necessary to create the future that they perceive for themselves.

Today is the tomorrow of yesterday. By controlling today, we are creating the future of tomorrow.

Our vision is to develop our children to enable them to create the future they aspire for themselves, inspired by God, influenced by the teachings of Jesus and underpinned by Christian Values; rooted in The Bible and the word of God.

Our intention is that our children will “contribute to and prosper in society” bringing God's plan for them to fruition.

Our school purpose is to signal a route to a life that many don't think possible!

We aim to maximise social mobility, with God's support & guidance!

**“For I know the plans I have for you”, declares the Lord
“plans to prosper you and not to harm you, plans to give
you a hope and a future.” Jeremiah 29:11**

“Learn, Sparkle & Shine...”

Our overall intention is for our children to be able to

“Learn, Sparkle & Shine...”

Develop the elements of wisdom, dignity, hope and community.

WISDOM

Learn

Knowing more today than I did yesterday and more tomorrow than I do today!

Allow for the development of wisdom, knowledge and skills.

DIGNITY, HOPE

Sparkle

Sparkling is **knowing who I am, what I love** and **being proud to be me.**

Allow for the development of individuality; character development, hope, aspiration, courageous advocacy.

COMMUNITY

Shine

Sharing kindness, love and joy with other people.

Allow for the development of community spirit – living well together.

In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

Matthew 5:16

“Learn, Sparkle & Shine...”

What does “**Learn, Sparkle & Shine...**” mean?

Our school demographics and context require that we provide a curriculum that;

- promotes high aspiration **(learn)**, **Provide wisdom**
- encourages positive attitudes, resilience and strong mental health **(sparkle)** **Provide dignity and hope** and,
- develops positive citizens with strong community (Christian and British) values **(shine)**. **Provide community spirit**

Our intention is to provide this curriculum, underpinned by Christian Values; rooted in The Bible and the word of God.

St. Peter's C.E. Farnworth

I have come to the frightening conclusion that I am the decisive element in the classroom,
It is my daily mood that makes the weather.

As a teacher I possess a tremendous power to make a child's life miserable or joyous.
I can be a tool of torture or an instrument of inspiration.
I can humiliate or humour, hurt or heal.

In all situations it is my response that decides whether a crisis will be escalated or de-escalated, and
A child humanised or de-humanised.

“Where our children enter our classrooms neither impresses nor depresses us; we simply expect our children to know that they come to school to work hard and learn, growing to know and understand more through each day they spend walking down Progress Ave with us.”

Our vision Our children will....	Our beliefs and values. Why?	Our strategy What do we intend to do?	Our strategy What will you see?
Learn Allow for the development of wisdom, knowledge and skills. 	We believe ability is a consequence of what happens in our classrooms not a cause! We believe inherited traits are only one part of the story of where we may end up. The environment created in our classrooms, the culture of hard work and determination that we encourage, the recognition that we are all able to increase our knowledge through learning, we believe, has an equally valid impact on our future success. (Learn)	Develop learners who recognise their own learning goals, aspirations and the role they play in determining their own destiny. (Learn) - Promote the incremental learning theory – growth mindset approach - Reward effort and attribute success to hard work and determination	Visible consistency- The aim of visible consistency is to ensure that all staff and pupils receive the same messages regarding expectation of conduct, behaviour and work ethic thus ensuring a safe environment in which effective teaching and learning can take place and risks can be taken.
Sparkle Allow for the development of individuality; character development, hope, aspiration, courageous advocacy. 	We believe that engaging in a rich and varied curriculum will provide our children with an opportunity to develop a positive attitude to learning and an environment in which they can flourish and thrive. (Sparkle)	Provide a curriculum that allows for a wide range of opportunities to be promoted and excellent outcomes achieved, across a wide range of areas. (Sparkle)	Visible collaboration- The aim of visible collaboration is to ensure that children receive the same experiences across year groups and that staff are able to share their expertise and strengths so as to learn from each other.
Shine Allow for the development of community spirit – living well together. 	We believe that by using the word of God and the example of Jesus, alongside Christian Values to underpin our work, children will be able to spread positive attitudes and shine as a beacon in society. (Shine)	Promote a community of kind, respectful Christian learners, with an underlying value of hope for their own future and that of the wider extended community; underpinned by the word of God and the example of Jesus, alongside Christian and British Values. (Shine)	Visible challenge- The aim of visible challenge is to support our growth mindset philosophy and recognises that learning occurs when staff and pupils are given the opportunity to go beyond their comfort zone. Visible creativity- The aim of visible creativity is to inspire a love of learning and deepen thinking.
